Career Objective

A motivated and hardworking Computer Science student seeking an internship opportunity in Software Testing/Quality Assurance. Interested in applying knowledge of software testing concepts, test case design, bug identification, and web technologies to real-world applications. Eager to gain practical experience, improve testing skills, and contribute positively to the organization's growth.

Education

B.Tech in Computer Science and Engineering 2023–2027
Sridevi Women's Engineering College, India

Intermediate 2021–2023
New Era Junior College, Nagarkurnool District

Board of Secondary Education 2020–2021
ZPHS Chandakonda, Nagarkurnool District

Technical Skills

- **Programming Languages:** C, Python
- **Testing:** Manual Testing, Test Case Design, Test Scenarios, Bug Identification, Bug Reporting, Functional Testing, Regression Testing
- **Testing Concepts:** SDLC, STLC, Software Testing Life Cycle
- **Web Technologies:** HTML, CSS, Node.js
- **Tools:** Git, GitHub, VS Code, Power BI, Excel
- **Database:** DBMS, SQL

Projects

Portfolio Website
- Developed a responsive personal portfolio using HTML and CSS.
- Tested web pages for layout, navigation, responsiveness, and basic functionality.

Health and Fitness Application
- Developed a health and fitness web application for workout and BMI tracking.
- Performed functional testing of user inputs, BMI calculations, and application features.

Digital Recommendation System
- Developed a recommendation system that suggests relevant content based on user preferences and behavior.
- Tested input scenarios and verified whether the system generated appropriate recommendations.

Personalized Learning System
- Designed a personalized learning platform that adapts content according to individual user performance.
- Validated user inputs and tested core application functionality.

Hackathon

Smart India Hackathon
- Participated in "Leaf Guard – Early Disease Alert System".

Hackathon 2K26
- Participated in "Lost and Found Network".

Soft Skills

Communication — Teamwork — Time Management — Problem Solving
